

## Location Details

MSD is located in the picturesque Suir Valley in Tipperary, in the South East of Ireland. Built on the River Suir, the plant is bordered by the Comeragh Mountains to the south and Slievenamon to the north-west. It lies approximately 10 miles east of [Clonmel](#) and 5 miles west of [Carrick on Suir](#) on the N24. It is within easy commuting distance of [Kilkenny](#), [Waterford](#), North Cork and surrounding areas.

**Car:** For those travelling to the site by car, may we direct you to the route planning section of [AA Roadwatch](#) for the latest traffic routes. You should set Kilsheelan, Co. Tipperary as your destination. We are approximately 4 miles from Kilsheelan on the Carrick on Suir road.

**Air:** The main airports in Ireland located within reasonable distance of the Ballydine plant are Dublin (190Km, 2.5Hrs.), Waterford (40Km, 1Hr.), Cork (95Km, 1.5Hrs.) and Shannon (105Km, 1.5Hrs.).

**Bus:** Bus services link Clonmel and Carrick-on-Suir to the major cities. This [link](#) will direct you to Bus Eireann timetables.

**Rail:** Irish Rail services the adjacent centres of Limerick Junction, Kilkenny, Waterford and Thurles. This [link](#) will direct you to Irish Rail timetables.
